Just the mention of Ireland conjures visions of rolling hills, rocky coastlines and small local pubs. From the charming and generous people to the vibrant culture and stunning scenery, at BMIT our passion is Ireland. Céad míle fáilte is a common Irish greeting that means “a hundred thousand welcomes,” which embodies Irish culture and embraces travelers. Ireland’s cities, countryside and everything in between offer travelers a warm welcome and a beautiful, historic land to explore.

Our goal is to make you apart of our family. We want you to travel to Ireland feeling comfortable, stress free, excited and ready to have a good time. We will provide you support from the beginning of your journey to the end.

At BMIT, we understand that traveling abroad can be stressful, and we work to ensure that you are taken care of every step of your journey. With multiple ground offices in Europe we are able to handle any issue that may arise in a timely and efficient manner. Further, many of our vacations such as our escorted tours only require you to show up—we take care of everything from accommodations and sightseeing to luggage transportation, allowing you a no-worries trip overseas.

As a member of USTOA and part of TUI Travel PLC, the largest travel company in the world, Brian Moore International Tours is able to provide our customers with secure travel options that represent the best value in the market.
